## **Fair SETT 2017 - Tourism Equipment and Techniques Trade Fair**

We attended the SETT Fair, which was held from 7 to 9 November 2017 in Montpellier, France. The main purpose was the presentation of new models of glamping tents for the year 2018. Funds amounting to 8,762.00 eur were granted for the realization of the project, within the framework of the Public tender "Co-financing of individual appearances of companies at international trade fairs abroad in 2017".

The aim of the project is to present new glamping tents for season 2018 on the French market, acquire new contacts, business discussions and conclude business cooperation agreements.

The investment is co-financed by the Republic of Slovenia and the European Union from the European Regional Development Fund ([www.eu-skladi.si](http://www.eu-skladi.si)).
